

BUSINESS PROGRAM 2

ENERGETICALLY ATTUNING YOUR BUSINESS

The Business Program 2 is based on a series of unique vibrational sound programs combining tibetan bells and energetic frequencies with a music overlay for those in the 'speaking' industry and instructions on their optimal use. Includes 22 unique energetic sound programs and these are supplied with a recommended playing list order in the PDF in the Business 1 section.

Business program 2 follows on from the first program Business Program 1 which supplied you with a series of energetic tools to assist with energetically attuning your business. These additional tools in the Business program 2 are designed to take working with your business to a deeper level; to alleviate 'outside' influences on your business, to provide a deeper level of 'Business adjustments' and a high level of energetic Sales and Marketing 'expertise' which has been tested to work since 2010.

The Business program 2 comprises 14 individual sound programs and these are supplied with a recommended playing list order in the PDF in the Business 2 section
