

THE REAL ESTATE AND PROPERTY PROGRAM

REMOVING ENERGETIC BLOCKAGES

The Real Estate and Property Program 1 is based on a series of unique vibrational sound programs combining tibetan bells and energetic frequencies with a music overlay for those in the 'real estate or property' industry and instructions on their optimal use. Includes includes 5 sounds and The Real Estate and Property PDF plus Healing Homes PDF and Meetings with Spirit 2 eBook

1. Property Sales Dwellings and Land
2. Co -Creation
3. Business Co- Creation
4. Financial Clearing
5. Clearing Buildings and Land

Designed to clear the energetic locks and blockages to buying and selling of properties; to clear the energy of land and buildings from previous events and previous owner / occupant/ tenants that may still be attached to the property / building/ land.

The co -creation sounds both business and personal assist in removing blockages to a smooth flow of contracts and agreements, and the financial clearing sounds clear financial patterns and blockages.

This combination of sounds have other benefits in daily life also.

The Healing Homes PDF takes an in depth look at the issues that can be having an effect on buildings and the land around them and had been updated from a previous book of the same name on Amazon.com

Meetings with Spirit 2 is also an update from a previous Amazon.com title which looks at what happens when we pass away and how the 'earthbound' energies of previous tenants can have a profound impact on houses and properties. Written as a series of 'ghost stories' as Sheila Kennedy has cleared many properties around the world over the years it gives a factual account of situations.

The Real Estate and Property Program 2 also includes The Your Energetic Business Tools program is a series of unique energetic 'tools' to assist you in your business. Includes the Circle of Truth and Writing Positive Business Intention Statements Programs PDF's and vibrational sound programs.

The Your Energetic Business Tools program is available both as a standalone program and as in this instance is also included in some of the other Your Energetic Business programs. It is recommended that you download all of the Business tools programs first as they follow on from and support one another and are referred to as support systems for the other programs.
